**The Greens at Loomis Trail
Homeowners Association**

**Preferred Method of Communications Directive
To the Board of the Greens at Loomis Trail Homeowners association and/or
elite Management**

To our Members and Neighbors:

In an ongoing effort to streamline communications between your Loomis Trail Board of and/or your Loomis Trail Managing Agent (Elite Management) and you, our members, and neighbors, we are offering the option allowing all notifications, notices and other communications to be communicated via email. The use of email, rather than “snail mail”, will save your association significant real costs of postage, envelopes, and paper, as well as the time required for photocopying and actual mailing. In addition, the possibility of lost or delayed mailing will be reduced.

Be assured, your email is confidential and will never be shared with outside parties without your written consent.

To indicate your agreement to use email to communicate with you, please complete and sign this consent form. To return it, please do one of the following:

- Scan or take a picture of your signed copy and email it to Doug Moore (deacon4@gmail.com);
- Mail it via USPS to Doug More (4371 Castlerock Drive, Blaine, Wa. 98230): or
- Drop it in the mail locker on the front porch at 4371 Castlerock Drive.

I authorize my Loomis Trail Homeowners Association Board and Managing Agent (Elite Management) to communicate with me via email for all matters pertaining to the Association.
