

Fellow Board Members and Residents

I have been struggling over the last week with health issues and I have had time to think over my time on the Loomis Trail HOA board. I have concluded that I am not the right person to be dealing with the demands that the HOA requires.

I am resigning from the board effective June 21, 2023.

However, I am willing to share the knowledge that I have acquired and all documents with the existing Board and committee members for a smooth transition.

I want to thank everyone in The Greens at Loomis Trail community and Elite Management for your kindness and support.

Sam Menzies
